

## Field Guide for Using Dakota Ridge Facilities

- Respect the property, leave no trace, each team cleans up sideline they are on before change of game.
- Last game of the day, make sure any trash is cleaned up (Dakota Field Monitor & Coaches)
- Take down the field equipment (Yard markers, chains, & box)
- NO Inappropriate behavior from coaching staff, players or parents towards one another, or the officials. There is a Zero tolerance towards this on any JYFA field & Dakota Ridge Facility
- Pre-game warm-ups will not/have not interfered with the game going on
- Respecting the bathroom situations, if you see someone disrespecting the unit, report to field monitor, trashing the bathroom is un- acceptable
- Leading by example: Dakota Ridge Youth Football is the top of sportsmanship in JYFA, eyes are always watching us, so you always lead by example
- Respect the parking lots, just like the field don't leave trash.
